Greetings,

This year, Pathways to Prosperity (P2P) will be celebrating 15 years of continuous service to Palm Beach County. To commemorate this occasion, we are hosting a Fundraising Gala, "*Champagne Notes & Velvet Tones – An Evening of Jazz*". I would love for you to consider becoming one of our Title Sponsors to ensure that this event is both successful and "the talk of the town".

As you know, P2P is dedicated to strengthening communities by improving social, mental, spiritual, economic and emotional well-being of children and families through education and social services. Our goal is to ensure that our families have what they require not only to survive, but also thrive. Our mission is about long-term change through comprehensive support to uplift individuals and families out of economic hardship and empower them with self-sufficiency. The agency features a range of programs and initiatives including education, parenting support, food assistance, healthcare, and other social services.

As a Title Sponsor, your company will be represented on all of our promotional material, media campaigns and your logo will appear on our program. You will also be recognized by the guests attending the gala and everyone involved as having a serious commitment to Improving Pathways to Upward Mobility for Low-Earning Workers. You or someone from your company will be given 5 minutes to speak during the event.

I have enclosed a sponsorship packet detailing the different levels of participation. You may choose how you would like to participate. Your sponsorship will support strengthening communities and empowering children and families. Any level of sponsorship will be greatly appreciated. Also, additional tickets and tables can be purchased on Everbrite:
